MEET THE COACH

Makiko Kidokoro

After graduating from Waseda University, Makiko worked as a project manager and a general director at an auditing consulting firm in Tokyo. Since 2016, she has been teaching Japanese in the U.S. and working as a Montessori school instructor.

OBJECTIVE

This module is for professionals who are new to the Japanese workforce.

Our aim is to help you understand the basics of working with the Japanese, and the culture that surrounds it.

COURSE DESCRIPTION

Getting To Know Japan

Gain a deep understanding of modern Japanese thinking and business landscape, informed by insights into demographics, culture, and socioeconomics. Here, you'll develop essential business etiquette skills for successful communication in Japanese professional settings.

Working in Japan - 1

Discover the hidden influences of Japanese aesthetics on daily life, and gain invaluable insights into effective communication and collaboration with Japanese colleagues in the workplace.

INFORMATION

- The deadline for application is on the 3rd of June.
- The minimum number of participants will be 2 students.
- Recordings of classes will be available for 2 weeks for students who are absent on certain days.

**SCAN QR CODE
TO APPLY:**

Designed for professionals who are already working in Japan and would like to gain more awareness on how to improve their professional relationships in the Japanese workforce.

COURSE & FEE

**WORKING IN JAPAN - 2
(1 HOUR / 4 CLASSES)
44,000 YEN**

- Saturdays, 10:00 am to 11:00 am
- Schedule: June 10th, 17th, 24th and July 1st

TOTAL FEE: 44,000 YEN

MEET THE COACH

Ryan Bodine

While working as a full-time employee at Montana State University in the U.S., he also worked as a corporate trainer and planned business skills training programs for Japan-based multinational companies.

OBJECTIVE

This module is for professionals who already have experience working in the Japanese workforce, but want to gain more knowledge.

COURSE DESCRIPTION

Working in Japan - 2

Gain the essential skills to effectively communicate with Japanese colleagues, clients, and partners by uncovering the 5-dimensional model of Japanese culture. With a deep understanding of your own communication tendencies, you'll learn practical strategies for success in cross-cultural communication.

INFORMATION

- The deadline for application is on the 3rd of June.
- The minimum number of participants will be 2 students.
- Recordings of classes will be available for 2 weeks for students who are absent on certain days.
